About Us...

Nur Islamic School of Louisville (NISL) is a non profit organization, that has been serving the Louisville/Indiana community since 1999. It was the first Islamic School in the Louisville area, with the arduous effort of some parents and community members who wanted a school that would enable their children to live and learn Islam.

In its first year, NISL offered classes for students in Kindergarten through second grade. Since then, NISL has been adding a grade every year until it reached 8th grade level.

Currently, we are also offering High School level courses via JCPS E-school!

Identity...

Prophet Muhammad, saw, said “ The example of a good companion and a bad companion is like that of the perfume seller and the blacksmith. The perfume seller will either give you some, you will buy some from him, or at least you enjoy a pleasant smell. The Blacksmith will either burn your clothes or you will smell badly from him.” (Bukhari and Muslim)

We know from this Hadith, and several others on the topic, that we are the company we keep. Islamic schools provide a place for Muslim children to be the Majority; so as to develop a strong Muslim identity, and to build life-long friendships and community with all people.

Academic & Extracurricular Activities

- Governor’s Cup Academic Competition
We began participating in this high-quality academic competition in 2009. Since then, our students began advancing from district to regional competitions!
- Islamic Quick Recall
Students are challenged in their Islamic knowledge against students from other Islamic schools during this event!
- Scripps National Spelling Bee
Our students flex their spelling skills and abilities during this exciting event!
- Arabic Spelling Bees
Winners from our intense in-school competition move on to compete with other Islamic schools in the area!
- Quran Recitation Competitions
Our students compete in Quran recitation with tajweed and then go on to compete against other Islamic Schools in an event held in Cincinnati.
- Science Fair
Science experiments explode this educational in-school event. Our middle school students also participate in the Regional Science Fair!

- International Week
- Reading Month
- Book Fair
- Art Appreciation Month
- Ramadan and Hajj Projects
- Eid Carnivals
- After-School Clubs

...AND MUCH MORE!!!
