

# We Make a Difference...

Prophet Muhammad (saw) said “ The example of a good companion and a bad companion is like that of the perfume seller and the blacksmith. The perfume seller will either give you some, you will buy some from him, or at least you will enjoy a pleasant smell. The Blacksmith will either burn your clothes or you will smell badly from him.” (Bukhari and Muslim)

We know from this Hadith, and several others on the topic, that we are the company we keep. Islamic schools provide a place for Muslim children to be the Majority; so as to develop a strong Muslim identity, and to build life-long friendships and community with all people.

## About Us...

NISL Early Childhood Center (ECC) was opened to the Louisville community in August of 2010. The ECC provides exceptional care for children from six weeks to five years. The ECC is fully licensed by the state. The ECC also either meets or exceeds the state's staff-to-child ratios. Our staff are CPR and First Aid Certified and participate in extensive hours of professional development and training.

We integrate teachings from the Quran and the Sunnah into various activities and routines throughout the day.

NISL Early Childhood Center is a proud member of Community Coordinated Child Care (4Cs) and accepts 4Cs subsidy payments.

The ECC is the first Islamic daycare in the Louisville community, fostering Islamic values in children from a very young age. The ECC provides an Islamic atmosphere and the resources for children to bloom and develop into confident Muslims with a strong identity.
