

Khan Academy Competition Rules & Rewards

Class Pizza Party

1. Get started on your Grade level (e.g. 4th Grade) on Khan Academy
2. The first class in which all the students reach 50% progress will earn the Pizza Party

\$25 Gift Card to a place of your choice

1. Get started on your Grade level (e.g. 4th Grade) on Khan Academy
2. The elementary school student who has the most number of skills mastered by the deadline will earn this reward
3. The skills mastered must be in your grade level or one grade level above or below (Hint: If you finish with your grade level, you can work on other grade levels).
4. A maximum number of 270 skills can be counted towards the reward
5. Every student will have 2 coach recommendations before the end of the competition. If you complete the recommendations, you will get 10 additional points per recommendation.

You may look at your progress next to the principal's office (updated every Friday). Contact Brother Asim if you have questions!

The deadline to complete is April 31st
